Future Directions and Innovations

— — —

- Growing international presence
- Care coordination projects
- Private insurer and pharmaceutical partnerships
 - Highmark in 2018, Amgen in 2017
- Risk management and treatment software

We would recommend investing in DaVita because:

1. Good and consistent operating margin
2. Historically high ROA
3. Low debt/equity ratio
4. Dialysis treatment is a life-saving and a growing service
5. Expanding global presence
